

Become an MDI PRO

Teach the presence layer. Verify the water. Certify divers — and get paid for the students you bring.

WHO IT'S FOR

Active diving professionals — Instructor, Assistant Instructor, or Divemaster / Dive Guide — in teaching status with PADI, SSI, CMAS, RAID, NAUI or equivalent, carrying professional insurance. MDI certifies the presence layer only: all diving activity remains inside your agency's standards, ratings and insurance.

WHAT YOU CAN DO

PRO-1

Teach, water-verify and certify MD-1 & MD-2. Instructors and AIs certify directly; Divemasters water-verify, with certifications co-signed by the Institute.

PRO-2

Additionally certify MD-3 — the professional core. Earned at 10 verified certifications · student QA ≥ 4.5 · zero open flags.

THE PROCESS — SIX STEPS

- 1 Complete MD-3 online**
the professional core of The Descent — and sign the Vow
- 2 Apply at /pro**
